

Doctoral Programme in Law

Special prizes

(Approved by the academic committee on 17-06-2019)

- **Criteria and weighting**

1. Publications related to the topic of the thesis: up to 30 points*
2. Thesis with International Mention: 20 points
3. Papers and communications on the thesis topic given at conferences, seminars or scientific meetings: up to 20 points
4. Research visits at other universities or research centres in order to work on the thesis topic, minimum duration of one continuous month: up to 10 points
5. Participation in research and/or transfer projects calls for applications: up to 10 points
6. Grants, prizes or others awards: up to 10 points

*Publications will be evaluated in accordance with the instructions for requesting accreditations from the Quality Agency of the Catalan University System (AQU). All publications must include their individual identification number and the quality indices (according to the curriculum model).

- **Additional required documentation**

The application must be accompanied by a curriculum vitae (using the template provided) and all documentation accrediting the applicant's stated activities and achievements. The committee will not take into consideration any stated activity or achievement without supporting documentation.

*To enable the publications to be evaluated, the applicant must submit copies of the index or abstract, the initial page and the final page.
